

CCTv Service

Free Installation Agreement- 3 Set-Top Boxes

In consideration of free standard installation of CCTv Service by Cascade Communications Company

at _____, I, _____ agree to subscribe
(address) (print name)

to Cascade Communications CCTv Service for a minimum of 18 months. I understand that if I move, change, or discontinue my CCTv Service within 18 months, I may be required to pay an early termination fee as described in the Service Agreement/Application. If I move and wish to install CCTv at my new location, the free standard installation agreement offer may not be available to me.

*Free Standard installation covers installation of CCTv for up to 3 set-top boxes within the same living unit. Installation for each of the up to 3 CCTv set-top boxes will include the installation of up to 75 feet of Cat5e wire, 1 Cat5e jumper (jack to set-top box), and 1 hour labor. The free installation also includes the labor to install 1 Ethernet switch with Cat5e jumper. Additional Fees may apply for materials and labor not included or where in our reasonable judgment a standard install is not possible. Equipment provided remains the property of Cascade Communications.
