CASCADE COMMUNICATIONS COMPANY

TERMS OF SERVICE

LOCAL EXCHANGE SERVICE

About These Terms and Conditions: Cascade Communications Company (the "Company") provides regulated local exchange services and facilities ("Service") pursuant to our "Terms of Service," inclusive of this cover page and the additional terms and conditions attached to or referenced herein. Previously, the Company provided Service pursuant to a Local Services Tariff filed with and approved by the Iowa Utilities Board. As a result of recent changes to applicable law and regulations, the Company no longer files a Local Services Tariff with the Iowa Utilities Board. We now provide Service pursuant our Terms of Service, which include the following documents, each as may be applicable to your specific Services and as may be amended or modified from time to time. The tariff will be available until the effective date on the Iowa Utilities Board website at https://efs.iowa.gov/efs/ShowDocumentSearch.do?searchType=tariff:

- (a) Our Standard Agreement for Local Exchange Service;
- (b) Our Rules and Regulations for Local Exchange Service;
- (c) Our Service Guide Local Exchange Service;
- (d) Our Service Guide General Exchange Service; and
- (e) Our Rate Schedules.

Effective Date: These Terms of Service are effective as of October 30, 2014 (the "**Effective Date**"). These Terms of Service cancel and supersede (i) the Company's Local Services Tariff previously filed with and approved by the Iowa Utilities Board and (ii) any terms and conditions of service published by the Company and effective prior to the Effective Date.

Changes to these Terms: Our Terms of Service are available at the Company's office, on the Company's website or by email or U.S. Mail upon request. We may change rates, terms and conditions or other Terms of Service at any time by giving you notice as required by law. The notice may be provided on your monthly bill, as a bill insert, by email, on our website, or by other written communication or notice as permitted or required by applicable law or regulation. If you elect not to cancel your Service and continue to use Service after the communicated effective date of any such changes, your continued use of Service will constitute acceptance of the modified Terms of Service.

Additional Services: These Terms of Service apply to local exchange services regulated by the Iowa Utilities Board. The Company may also offer or provide other products and services, including unregulated telecommunications or communications services. Such products and services are not covered by these Terms of Service, but may be subject to other service contracts or terms and conditions of service provided or made available to customers in connection with those products and services.

PLEASE READ THESE TERMS OF SERVICE CAREFULLY. BY ORDERING AND USING SERVICE, YOU AGREE TO COMPLY WITH OUR TERMS OF SERVICE. IF YOU DO NOT ACCEPT OUR TERMS OF SERVICE, PLEASE NOTIFY US PRIOR TO INSTALLATION OR ACTIVATION OF SERVICE, AND WE WILL CANCEL YOUR SERVICE ORDER OR DISCONNECT YOUR SERVICE.

STANDARD AGREEMENT FOR LOCAL EXCHANGE AND LONG DISTANCE SERVICE

STANDARD AGREEMENT FOR LOCAL EXCHANGE AND LONG DISTANCE SERVICE CASCADE COMMUNICATIONS COMPANY

- 1. **SERVICE AGREEMENT.** This standard agreement (this "Agreement") governs your service relationship with Cascade Communications Company (together with any subsidiaries or affiliates providing your service or related facilities, "we," "us," or the "Company") for (i) regulated local telephone services and facilities and (ii) intrastate, interstate and international long distance services (collectively "Service") to which you subscribe.
- 2. **ACCEPTANCE.** Your acceptance of this Agreement occurs upon any of the following: (a) you provide a written or electronic signature expressly accepting this Agreement; (b) you orally or electronically order and/or activate Service; or (c) you use Service, following notification that this Agreement will apply to your ongoing use of such Service.
- 3. ADDITIONAL TERMS OF SERVICE. We provide local telephone service pursuant to a certificate of public convenience and necessity issued by the lowa Utilities Board. We provide Service (local and long distance) subject to our "Terms of Service", including: (a) this Agreement (b) our General Terms and Conditions of Service (for both local service and long distance) our Service Catalog (for local service) and Service-specific Terms and Conditions (for long distance service), which are incorporated herein by reference; (c) our applicable Service Guides and Rate Schedules, which are incorporated herein by reference and (d) applicable rules and regulations of the lowa Utilities Board. Current versions of our Terms of Service are available in electronic form on our website at www.cascadecomm.com. Current versions of these documents are also available at our business office(s) and will be provided or made available to you upon request. Our Terms of Service contain the specific prices and charges, service descriptions and other terms and conditions not set forth herein which apply to Service. This Agreement incorporates by reference the prices, charges, terms and conditions included in our other Terms of Service.
- 4. **RIGHTS AND RESPONSIBILITIES.** This Agreement is our standard service agreement. Under this Agreement, we agree to provide and bill for Service, and you agree to use and pay for Service, as provided herein and in our other applicable **Terms of Service**. Our rights and responsibilities, and your rights and responsibilities, are as set forth in this Agreement and our other applicable Terms of Service.
- 5. **TERM.** This Agreement shall commence on the date of your acceptance and shall continue month-to-month (or, in some cases for an established minimum term) as provided in our applicable **Terms of Service**. Either party may terminate this Agreement or any Service in accordance with our applicable Terms of Service. Termination of this Agreement or any Service shall not waive or release your obligation to pay for Service provided prior to such termination as well as any other applicable fees and charges, as provided in our **Terms of Service**.
- 6. RATES; PAYMENT. Nonrecurring and recurring charges for Service are as set forth in our applicable Terms of Service. Except as otherwise noted, Service pricing is exclusive of applicable local, state and federal taxes and regulatory fees, assessments and surcharges. All Service charges, along with applicable local, state and federal taxes and regulatory fees, assessments and surcharges, will be itemized on your invoice. Failure to pay invoices when due may result in late payment penalties or suspension or disconnection of Service as provided in our applicable Terms of Service.
- 7. CHANGES TO TERMS. We reserve the right to change our Terms of Service (including rates or any other terms and conditions of Service) upon written notice to you. The notice may be provided on your monthly bill, as a bill insert, by email, on our website, or by other written communication or other form of notice permitted or required by applicable laws and regulations. If you elect not to cancel your Service and continue to use Service after the communicated effective date of any such changes, your continued use of Service will constitute acceptance of the modified Terms of Service.
- 8. **CHANGES TO SERVICE.** We may, from time to time, modify the Service to reflect improvements and other changes and modifications to our network. In addition, we reserve the right to discontinue or limit Service as required to comply with or satisfy our obligations under applicable laws or regulations, including when changes to or interpretations of such laws and regulations have a material, adverse effect on the business, technical or economic feasibility of providing Service, as determined by us in our reasonable judgment.
- 9. ACCESS TO SERVICE PREMISES. We may enter into, upon and over your Service premises periodically during the term of this Agreement to install, connect, inspect, maintain, repair, alter, disconnect and remove our facilities and equipment used to provide Service. To the extent the same is consistent with your ownership of the premises, you grant the Company a temporary and permanent easement to construct, install, maintain, and/or replace Service facilities and to install, connect, inspect, maintain, repair, alter, disconnect and remove all facilities and equipment necessary to provide Service. In the event you are not the owner of the premises upon which installation is requested, you warrant to the Company that you have obtained the consent of the owner of the premises for the Company to install and maintain its facilities and equipment as contemplated herein.
- 10. CREDIT CHECK; DEPOSITS. In connection with your request or application for any Service, we may conduct an investigation into your credit-worthiness, including obtaining one or more reports or ratings from one or more independent credit reporting or credit scoring agencies. We may require a deposit for you to establish or maintain Service. The deposit amount, the length of time we hold the deposit and changes to the deposit amount are determined based on your credit and payment history, our Terms of Service and any applicable laws or regulations. If Service is canceled or disconnected for any reason, we may, subject to our Terms of Service and applicable law and regulations, apply your deposit toward payment of outstanding charges.
- 11. **SERVICE ACCOUNTS.** Service accounts are assigned to customers only, and the customer in whose name the account is established will be treated as the account owner for all purposes. Account owners may designate one or more "authorized users" who will have access to account information and may make certain account changes in accordance with our policies and applicable laws and regulations. As the owner of the account, you are responsible for designating (or changing the designation) of any authorized users. You will hold the Company harmless from any claims arising from account instructions given or inquiries made by you or any authorized user. You are responsible for keeping all account and

billing data with the Company up-to-date and accurate. Furnishing false data to the Company is grounds for immediate disconnection of Service and may subject you to civil or criminal liability.

- 12. **FEDERAL LIFELINE PROGRAM**. The Company is an eligible telecommunications carrier (ETC) within all or portions of its service area, meaning that it provides certain services supported by the federal Universal Service Fund, including the federal "Lifeline" program for qualifying low-income consumers. Single line, local residential service is a Lifeline-eligible service. Lifeline is a government benefit program which provides a monthly credit toward a qualified low-income subscriber's telephone bill. Only eligible low-income consumers may enroll in the Lifeline program. Consumers who meet eligibility criteria must also complete documentation necessary for enrollment. Lifeline assistance is non-transferable, and eligible subscribers may receive assistance from only one wireline or wireless telecommunications provider per household. If you believe you may qualify for the Lifeline program, please visit our website at www.cascadecomm.com or contact us to discuss program details, eligibility requirements or to request a Lifeline application. Consumers who willfully make false statements in order to obtain the benefit can be punished by fine or imprisonment or can be barred from the program. To report Lifeline fraud, you may contact the Federal Communications Commission Lifeline Fraud Tip Line: 1-855-4LL-TIPS (or 1-855-455-8477) or Lifeline@fcc.qov.
- DISCLAIMER OF WARRANTIES. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN OUR TERMS OF SERVICE, WE MAKE NO WARRANTIES WITH RESPECT TO ANY SERVICE OR FACILITIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES CONCERNING THE SPECIFIC FUNCTION OF ANY SERVICE OR FACILITIES, OR THEIR RELIABILITY, AVAILABILITY, OR ABILITY TO MEET YOUR SPECIFIC NEEDS. TO THE EXTENT PERMITTED BY LAW, WE EXPRESSLY DISCLAIM ALL IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF SATISFACTORY QUALITY, NON-INFRINGEMENT, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
- 14. **LIMITATION ON REMEDIES.** In addition to any other limitation on remedies or limitations of liability set forth in our Terms of Service or in applicable law or regulations, the Company shall not be liable for any delay or failure to provide Service at any time or from time to time, or any interruption or degradation of Service quality that is caused by any of the following: (a) an act or omission of an underlying carrier, service provider, vendor or other third party; (b) equipment, network or facility failure, including failure caused by the loss of power; (c) equipment, network or facility upgrade or modification; (d) force majeure events such as (but not limited to) acts of God, acts of nature, strikes, fire, war, riot, acts of terrorism and government actions; (e) equipment or facility shortage; (f) equipment or facility relocation; (g) any act or omission by you or any person using your Service; (h) theft, fraud or abuse of Service; or (i) any other cause that is beyond the Company's reasonable control.
 - THE EXTENT PERMITTED BY LAW, OUR TOTAL LIABILITY FOR ANY CLAIM UNDER THIS AGREEMENT, INCLUDING FOR ANY EXPRESS OR IMPLIED WARRANTIES, IS LIMITED TO THE AMOUNT YOU PAID US FOR THE AFFECTED SERVICE OR FACILITIES, WHETHER SUCH CLAIM OR REMEDY IS SOUGHT IN CONTRACT OR TORT, INCLUDING NEGLIGENCE, STRICT LIABILITY OR OTHERWISE. TO THE EXTENT PERMITTED BY LAW, WE SHALL NOT BE LIABLE TO YOU FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, PUNITIVE, SPECIAL OR TREBLED OR ENHANCED DAMAGES, INCLUDING, BUT NOT LIMITED TO LOST PROFITS, LOST BUSINESS, OR OTHER COMMERCIAL OR ECONOMIC LOSS, WHETHER SUCH DAMAGES ARE CLAIMED FOR BREACH OF CONTRACT, NEGLIGENCE OR OTHERWISE AND WHETHER OR NOT WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
- 15. **INDEMNIFICATION**. You agree to indemnify the Company and our affiliates, officers, agents and employees from any liability or expense arising from claims, losses, damages, suits, judgments, litigation costs and attorneys' fees arising from or related to your abuse or misuse of Service, or any other violation of this Agreement or our other Terms of Service.
- ADDITIONAL SERVICES. Our telecommunications and communications services are diverse, and not all services we provide are regulated services. This Agreement and the other Terms of Service identified herein apply only to local exchange services regulated by the Iowa Utilities Board. The Company may also offer or provide other products and services, including unregulated telecommunications or communications services. Unless otherwise specified, such products and services are not covered by this Agreement or our other Terms of Service referenced herein, but may be subject to other service contracts or terms and conditions of service provided or made available to customers in connection with those products and services.
- 17. **GOVERNING LAW.** This Agreement, and our contractual and service relationship with you, shall be deemed to have been made in and shall be governed by and construed in accordance with the substantive laws of the State of lowa, without regard to the principles of conflicts of law.
- 18. **INCORPORATION AND INTEGRATION.** Our Terms of Service are incorporated into this Agreement. This Agreement, along with our other **Terms of Service**, constitute the entire agreement between the parties concerning our contractual service relationship, there being no prior written or oral promises or representations not incorporated herein or therein.
- 19. **NO IMPLIED WAIVER.** Our failure to exercise or enforce any provision of or rights under this Agreement or our other Terms of Service shall not constitute a waiver of any such provision or right.
- 20. **SEVERABILITY.** If any part or provision of this Agreement or our other Terms of Service is held, in whole or in part, to be invalid, illegal, or unenforceable by any law or regulation of any governmental or regulatory authority, or by the final determination of any court of competent jurisdiction, that part or provision will be construed consistent with applicable law or regulation as nearly as possible, and the remaining parts and provisions will remain in full force and effect. Such invalidity or non-enforceability will not invalidate or render unenforceable any other part or provision of this Agreement or our other **Terms of Service**.

21.	ASSIGNMENT; BINDING EFFECT. This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns; provided, however, you may not assign or transfer your rights or obligations under this Agreement without our express written consent. Unless consent is granted, all accounts must be closed and reopened under the name of a new customer for issuance of a new account number.

CASCADE COMMUNICATIONS SERVICE AGREEMENT – GENERAL TERMS AND CONDITIONS OF SERVICE Page 1 of 2

- 1. <u>Terms and Conditions</u>. These General Terms and Conditions govern any and all communications services ("Service") and ancillary equipment ("Equipment") you order and receive from Cascade Communications Company (together with any subsidiaries or affiliates providing any Service or Equipment, "we," "us," or the "Company"). These General Terms and Conditions of Service are incorporated into your Service Agreement. By ordering and using Service, you agree to adhere to these General Terms and Conditions, including any modifications to such terms and conditions as we may communicate to you from time to time. If you fail to comply with these General Terms and Conditions, your Service may be suspended or disconnected.
- 2. <u>Additional Terms</u>. Our Services are diverse, so sometimes additional terms and conditions will apply. For example, Service will or may be subject to (a) your Service Application/Agreement; (b) the Company's Service-specific Terms and Conditions, Standard Agreements and/or Service Catalogs (as applicable); (c) the Company's Acceptable Use Policy; and (d) your selected Service Package(s) (items (a)-(d) collectively, the "Additional Terms"), each of which you should read carefully before ordering or activating any Service. By accepting Service, you agree to adhere to all Additional Terms applicable to your Service, including any modifications to such terms and conditions as we may communicate to you from time to time. If you fail to comply with any applicable Additional Terms, your Service may be suspended or disconnected.
- 3. Rates; Invoicing. Nonrecurring and recurring charges for Service are as set forth in your selected Service Package and/or the rate schedules maintained by the Company, current versions of which are available upon request. All Service charges, along with applicable local, state and federal taxes, regulatory assessments, fees and charges, cost recovery charges and other applicable charges and fees will be itemized on your invoice. You must pay all charges for your Service, including all applicable taxes, fees and surcharges, by the due date on the invoice. If you have signed up for electronic billing, we will not mail you a paper invoice. Invoice information will remain available in your account information or by calling us at our customer service number. Failure to pay invoices when due may result in late payment fees of up to 1.5% per month (18% per year) on the unpaid balance and/or other penalties, including suspension or disconnection of Service. An additional installation charge and/or a minimum service term may be required to restore Service. If we don't receive your payment before the next billing cycle, you agree to pay any costs and expenses associated with our collections efforts, including attorneys' fees. We may charge you an insufficient funds or returned check fee, up to the maximum rate allowed by law, if your check, bank draft, electronic funds transfer, or other order for payment is dishonored or returned for insufficient funds or any other reason. Our acceptance of late or partial payment and late payment charges will not constitute waiver of any of our rights to collect the full amount due.
- 4. <u>Service Term.</u> Depending on the Service Package you select, you may receive Service for an agreed minimum term (your "Contract Term"). In the absence of any Contract Term or after any Contract Term has expired, you will receive Service on a month-to-month basis until Service is canceled by you or disconnected by us in accordance your Service Agreement. If you select a Contact Term, you understand that you have received a special rate and/or we have incurred costs in exchange for your commitment to the full Contract Term. If your Service is downgraded, canceled or disconnected prior to the end of the agreed Contract Term, you may be charged an early termination fee ("ETF") equal to \$10 per month for your remaining term. For example, the ETF for an 18-month contract would be \$180, minus \$10 for each full month of your Contract Term that you complete. The ETF for Contract Terms of more or less than 18-months is prorated (i.e., the ETF for a 2-year term is \$240 and the ETF for a 1-year term is \$120), with the same \$10 per month reduction for each full month completed. If your pricing is based on a bundled package of Service, downgrading, canceling or disconnecting any Service within the bundle may, in addition to an ETF, result in increased pricing for the remaining Services. ETFs are cumulative and in addition to any other charges or fees you may owe us and any fees or charges that we may charge upon cancelation or disconnection of Service.
- 5. <u>Changes to Terms.</u> We reserve the right to change these General Terms and Conditions upon thirty (30) days written notice to you. The notice may be provided on your monthly bill, as a bill insert, by email, on our website, or by other written communication. You may, upon receipt of notice of such change, cancel your Service Agreement; provided that no early termination fee will apply if the communicated change would materially adversely modify the terms (including price) of Service or your rights under your Service Agreement. If you elect not to cancel your Service Agreement and continue to use Service after receiving notice of such changes, your continued use of Service will constitute acceptance of the changed terms and conditions.
- 6. <u>Credit Check; Deposits</u>. In connection with your request or application for any Service, we may conduct an investigation into your credit-worthiness, including obtaining one or more reports or ratings from one or more independent credit reporting or credit scoring agencies. By applying for Service, you authorize the Company to investigate or verify your credit history and to share credit information with credit reporting agencies. We may require a deposit for you to establish Service or obtain Equipment. The deposit amount, the length of time we hold the deposit and changes to the deposit amount are determined based on your credit and payment history and any applicable laws or regulations. If Service is canceled or disconnected for any reason, we may, subject to applicable law and regulations, apply your deposit toward payment of outstanding charges.
- 7. Service Accounts. Service accounts are assigned to customers only, and the customer in whose name the account is established will be treated as the account owner for all purposes. Account owners may designate one or more "authorized users" who will have access to account information and may make certain account changes in accordance with our policies. As the owner of the account, you are responsible for designating (or changing the designation) of any authorized users. You will hold the Company harmless from any claims arising from account instructions given or inquiries made by you or any authorized user. You may not assign or transfer your rights or obligations under your Service Agreement without our express written consent. Unless consent is granted, all accounts must be closed and reopened under the name of a new customer for issuance of a new account number. You are responsible for keeping all billing data with the Company up-to-date and accurate. Furnishing false data to the Company is grounds for immediate disconnection of service and may subject you to civil or criminal liability.
- 8. Equipment. Equipment is provided to you for the term of Service and solely for your use in connection with lawfully receiving and using Service. We may from time to time sell you certain Equipment at a price and otherwise on such terms as are specified in a purchase order or equipment purchase agreement. Ownership of, and title to, any purchased Equipment shall transfer to you at the time of sale. You will bear all risk of loss, theft or damage to purchased Equipment. We may from time to time lease to you certain Equipment at a price and otherwise on such terms as specified in a service order or equipment lease. In connection with certain Service Packages, Equipment may be licensed to you at no additional charge. All leased or licensed Equipment remains the property of the Company and must be maintained and returned as provided herein. You may elect to independently acquire or supply equipment ("Customer Supplied Equipment" or "CSE") instead of buying, leasing or using Equipment provided directly by us. The Company shall not be responsible in any way for the compatibility or fitness for use of any CSE, including any end-user devices. We will install Equipment provided by us in accordance with our policies as in effect from time to time. You acknowledge that the Company is not the manufacturer of, nor a dealer in, any Equipment.

CASCADE COMMUNICATIONS SERVICE AGREEMENT – GENERAL TERMS AND CONDITIONS OF SERVICE Page 2 of 2

- 9. Access to Premises. We may enter into, upon and over your premises periodically during the term of this Agreement to install, connect, inspect, maintain, repair, alter, disconnect and remove Equipment. To the extent the same is consistent with your ownership of the premises, you grant the Company a temporary and permanent easement to construct, install, maintain, and/or replace Service facilities and to install, connect, inspect, maintain, repair, alter, disconnect and remove all Equipment necessary to provide Service. In the event you are not the owner of the premises upon which installation is requested, you warrant to the Company that you have obtained the consent of the owner of the premises for the Company to install and maintain its Equipment as contemplated herein.
- 10. <u>Safekeeping of Equipment</u>. You are responsible for the safekeeping of all Equipment placed in or on your premises. The Company has no responsibility for replacing Equipment destroyed or damaged by your misuse, abuse or neglect. In the event that any Equipment provided by the Company is destroyed, damaged (ordinary wear and tear excepted), lost or stolen while in your possession, you may be liable to the Company for an equipment recovery fee ("ERF") up to the full cost of repair or replacement of such Equipment.
- 11. Return of Equipment. If you cancel Service or if Service is disconnected by us, then you must return any leased or licensed Equipment to the Company during regular business hours, Monday through Friday (except holidays), within twenty (20) days of the cancellation or disconnection of Service. Do not return Equipment by mail or delivery service. The Equipment must be returned to the Company in the same condition that you received it, except for normal wear and tear. All Equipment must be returned to the Company's business office or an alternative location designated by the Company at the time of cancelation or disconnection. If you are unable to travel to the Company's business office or other designated location to return the Equipment, you may request pick-up. Provision of pick-up service is solely at the Company's option and the Company's refusal or failure to provide pick-up service will not excuse your obligation to return Equipment. If the Company agrees to provide pick-up service, pick-up will occur during the business week and only during regular business hours. There may be a fee for pick-up, which you will be informed of when you request pick-up service and which will be payable at time of pick-up. If after twenty (20) days from cancellation or disconnection of Service, any leased or licensed Equipment has not been returned to the Company, you may be liable to the Company for an ERF in an amount up to the full cost of replacement of such Equipment. ERFs are cumulative and in addition to any other charges or fees you may owe us and any fees or charges that we may charge upon cancelation or disconnection of Service.
- 12. <u>Service and Repairs</u>. The Company undertakes reasonable efforts to maintain its network and respond to service or trouble calls in a timely manner. The Company will use commercially reasonable efforts to repair damage to Company-provided Equipment or interruption of Service due to reasonable wear and tear or technical malfunction.
- 13. <u>Indemnification</u>. You agree to hold harmless and indemnify us and our affiliates, officers, agents and employees from any claim, suit or action arising from or related to your abuse or misuse of any Service or Equipment, or any other violation of your Service Agreement, including any liability or expense arising from claims, losses, damages, suits, judgments, litigation costs and attorneys' fees arising from or in connection with the same.
- 14. <u>Disclaimer of Warranties</u>. WE MAKE NO WARRANTIES WITH RESPECT TO ANY SERVICE OR EQUIPMENT, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES CONCERNING THE SPECIFIC FUNCTION OF ANY SERVICE OR EQUIPMENT, OR THEIR RELIABILITY, AVAILABILITY, OR ABILITY TO MEET YOUR SPECIFIC NEEDS. TO THE EXTENT PERMITTED BY LAW, WE EXPRESSLY DISCLAIM ALL IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF SATISFACTORY QUALITY, NON-INFRINGEMENT, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
- 15. <u>Limitation on Remedies</u>. The Company shall not be liable for any delay or failure to provide Service at any time or from time to time, or any interruption or degradation of Service quality that is caused by any of the following:
 - an act or omission of an underlying carrier, service or content provider, vendor or other third party;
 - Equipment, network or facility failure;
 - Equipment, network or facility upgrade or modification;
 - · force majeure events such as (but not limited to) acts of God, acts of nature, strikes, fire, war, riot, acts of terrorism and government actions;
 - · Equipment, network or facility shortage;
 - Equipment or facility relocation;
 - Service, Equipment, network or facility failure caused by the loss of power;
 - · any act or omission by you or any person using your Service or Equipment; or
 - any other cause that is beyond the Company's control, including, without limitation, a failure of or defect in any hardware, software or Equipment.

TO THE EXTENT PERMITTED BY LAW, OUR TOTAL LIABILITY FOR ANY CLAIM UNDER YOUR SERVICE AGREEMENT, INCLUDING FOR ANY EXPRESS OR IMPLIED WARRANTIES, IS LIMITED TO THE AMOUNT YOU PAID US FOR THE SERVICES OR EQUIPMENT WE PROVIDED, WHETHER SUCH CLAIM OR REMEDY IS SOUGHT IN CONTRACT OR TORT, INCLUDING NEGLIGENCE, STRICT LIABILITY OR OTHERWISE. TO THE EXTENT PERMITTED BY LAW, WE SHALL NOT BE LIABLE TO YOU FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, PUNITIVE, SPECIAL OR TREBLED OR ENHANCED DAMAGES, INCLUDING, BUT NOT LIMITED TO LOST PROFITS, LOST BUSINESS, OR OTHER COMMERCIAL OR ECONOMIC LOSS, WHETHER SUCH DAMAGES ARE CLAIMED FOR BREACH OF CONTRACT, NEGLIGENCE OR OTHERWISE AND WHETHER OR NOT WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

- 16. <u>Conflicts of Terms</u>. Your Service Agreement and our contractual relationship with you shall be governed by and construed in accordance with the substantive laws of the State of lowa, without regard to the principles of conflicts of law. Any conflict among or between the terms and making up your Service Agreement will be resolved in accordance with the following order of precedence (from highest to lowest priority):
 - (a) your Service Application/Agreement, including the terms of your selected Service Package;
 - (b) the Service-Specific Terms and Conditions for each Service, including applicable Standard Agreements or Service Catalogs;
 - (c) our Acceptable Use Policy; and
 - (d) these General Terms and Conditions of Service.

A. APPLICATION

1. General

- a. The Terms and Conditions specified herein apply to the local exchange services and facilities furnished by Cascade Communications Company hereinafter referred to as the Company. If the customers fail to observe these Terms and Conditions, the Company has the option to discontinue service after due notice of such failure.
- b. In the event of a conflict between these Terms and Conditions and any conditions contained in this Services Catalog, the rates and conditions contained in the specific catalog section shall prevail.
- c. This Services Catalog cancels and supersedes all other Services Catalogs of the Company issued and effective prior to the effective dates shown on individual sheets of this Services Catalog.

B. OBLIGATION AND LIABILITY OF TELEPHONE COMPANY

1. Availability of Facilities

a. The Company's obligation to furnish local exchange service is dependent upon its ability to secure and retain, without unreasonable expense, suitable facilities and rights for such facilities, except as provided for in Part V, Line Extensions.

2. Allowance for Failure of Service

a. The Company does not guarantee uninterrupted working of its lines or equipment. In case service is interrupted other than by the negligence or willful act of the customer, an adjustment will be made in the amount of the charges for that portion of the service rendered inoperable. Any adjustment shall apply only if the interruption continues beyond twenty-four (24) hours after first noted by the Company. Adjustment will be made in the form of a bill credit. No other liability shall in any case attach to the Company.

3. Adjustment of Charges

a. In the event of an adjustment of charges for overbilling by the Company, a refund or credit will be made of the full amount of excess charges for a period not to exceed two years. When the period or amount for which overbilling cannot be fixed from available records, the maximum refund or credit will not exceed an estimated amount of such billing.

B. OBLIGATION AND LIABILITY OF TELEPHONE COMPANY (Continued)

- 4. Directory Errors and Omissions
 - a. Claims for damages due to errors or omissions in directory listings will be limited to prorated charges for the customer service that is affected.
 - b. In the case of extra listings in the alphabetical section of the directory for which a charge is made, the Company's liability shall be limited to an amount not to exceed the established rate for such listing for the directory period in which the error or omission occurs.

5. Transmitting Messages

a. The Company does not transmit messages, but offers the use of its facilities, where available, for communications between parties, subject to the rules, regulations and conditions specified in this Services Catalog.

6. Use of Connecting Company Lines

a. Facilities of other companies may be used in establishing connections to points not reached by this Company's lines. In establishing connections with the facilities of other companies, the Company does not assume any liability for any action of the connecting company.

7. Defacement of Property

a. The Company shall exercise care in all work done on a customer's property. No liability shall attach to the Company by reason of any defacement or damage to the customers' property resulting from the existence of the Company's instruments, apparatus and associated wiring on such property, or by the installation or removal thereof, unless such defacement or damage is the result of the negligence of the Company, or its employees.

8. Customer Premise Equipment

- a. The Company shall not be responsible for any loss or damage, nor for failure or impairment of service in connection with customer-provided facilities unless caused solely by the negligence of the Company. The Company's liability is limited to that provided in the Terms and Conditions of this Services Catalog.
- b. The telecommunications network is not represented as being adapted to the use of all customer premise equipment and the Company shall not be responsible for: (a) the through transmission of signals generated by the customer premise equipment or for the quality of or defects in, such transmission; (b) the reception of signals by the customer premise equipment or communications equipment.

B. OBLIGATION AND LIABILITY OF TELEPHONE COMPANY (Continued)

- 8. Customer Premise Equipment (Continued)
 - c. The customer indemnifies and saves the Company harmless against claims for libel, slander, or infringement of patents arising from combining such equipment with the facilities of the Company.
 - d. The Company shall not be responsible to the customer if changes in criteria in this Services Catalog or changes in any of the facilities or operations or procedures of the Company render any customer premise equipment obsolete, or require modification or alteration of such equipment, or otherwise affect its use or performance. The Company reserves the right to change the standards of its equipment as the requirements of the telephone business may direct.

C. USE OF SERVICE AND FACILITIES

- Use of Customer Service
 - a. Customer telephone service is furnished on retail basis for residential or business use only and not for resale except as otherwise provided in Part II, Section O. Service accounts are assigned to customers only, and the customer(s) in whose name the account is established will be treated as the account owner(s) for all purposes. Account owners shall be responsible for any and all use of the subscribed service.
- 2. Attachment or Connection of Customer Premise Equipment
 - a. Customer premise equipment may be used with the facilities furnished by the Company, for telecommunication service, provided that such equipment will be connected, maintained and operated in a manner compatible with Company's facilities and networks.
 - b. It is the customer's obligation to ensure compliance with any applicable state or federal laws governing the installation and use of customer premise equipment.
 - c. To protect the network and services furnished to the public by the Company, the customer premise equipment must comply with all applicable minimum network protection criteria.
 - d. If customer premise equipment is used which is causing or is likely to cause interference or hazard to the network, the Company will take such action as it deems necessary for the protection of the telecommunications network.
 - e. After notification by the Company of such interference or hazard, the customer shall discontinue such use and disconnect such equipment. Failure of the customer to conform to this requirement may result in suspension of service.
 - f. The customer will be responsible to pay a service check charge as specified in Part VI, Service Check Charges for visits to their premises when the service difficulty is caused by the customer premise equipment.

D. ESTABLISHMENT AND FURNISHING OF SERVICE

1. Application for Service

- a. Applications for service may be made orally, in writing or on line where available. These applications become contracts upon the establishment of service. The Company may require an applicant to pay in advance an amount equal to two month's exchange rate. If a deposit is required by the Company, applicable non-recurring charges and service charges (if any) may be required in advance. The terms and conditions specified for such contracts are subject to these General Terms and Conditions and this Services Catalog for the exchange from which service is to be furnished. Any change in rates, rules or regulations shall act as a modification of the contract to that extent, without further notice.
- b. Minimum contract periods and termination of service are covered elsewhere in Part II of this Services Catalog.

2. Telephone Numbers

a. The customer has no proprietary right in the telephone number or any right to continuance of service from any specific central office, and the Company may assign or change the telephone number, the central office designation, or both, as is necessary in the conduct of its business or subject to any porting requirements. Except for non-payment of yellow page advertising, when customers are assigned a new number within the exchange, the former working number intercept shall provide the new number to a calling party for not less than 60 days or until the issuance of a new directory.

3. Alterations

a. The customer agrees to notify the Company promptly whenever alterations or new construction on premises owned or leased by the customer necessitate changes in the Company's facilities. The customer agrees to pay the Company's charges for such changes.

4. Payment for Service

 The customer is required to pay all rates and charges for local, exchange services and facilities.

5. Maintenance and Repairs

a. All expense of maintenance and repair of regulated services or facilities provided by the Company will be borne by the Company. The customer will be held responsible for restoration or replacement costs in case of loss of, damage to, or destruction of any of the Company's facilities not due to normal use. Customers may not rearrange, disconnect, or remove or permit others to rearrange, disconnect, or remove any Company owned facility installed by the Company unless provided elsewhere in this Services Catalog.

D. ESTABLISHMENT AND FURNISHING OF SERVICE (Continued)

- 6. Unusual Installation Costs
 - Where special requirements of the customer involve unusual construction or installation, the customer may be required to pay additional costs as provided elsewhere in this Services Catalog.

E. TELEPHONE DIRECTORIES

- Distribution and Publication
 - a. The Company may publish and distribute a directory in electronic or paper format containing the serving exchange listings for each Central Office Access Line without charge. Additional directories may be furnished at the discretion of the Company. Directories containing listings for other areas may be provided at a nominal charge. Directories are furnished to customers as an aid in the use of the telephone service. The Company reserves the right to charge for directories issued in replacement of directories.
- 2. Directory Listings
 - a. Directory listings remain the property of the Company and are not to be reproduced without the permission of the Company.

F. ESTABLISHMENT AND MAINTENANCE OF CREDIT

- 1. Establishment of Credit
 - a. The Company is not obligated to provide service to any individual or firm that owes for regulated services previously rendered by the Company at the same or a different address, until arrangements have been made to liquidate such previous indebtedness to the Company. Applicants for telephone service who are required to make a deposit may be required to pay in advance of installation, the service connection, installation and/or construction charges. In order to insure the payment of all charges due for its service, the Company may require any customer to establish and maintain his credit in one of the following ways:
 - 1) By furnishing credit references acceptable to the Company.
 - 2) By means of a cash deposit.

F. ESTABLISHMENT AND MAINTENANCE OF CREDIT (Continued)

2. Amount of Deposits

- a. The amount of deposit required shall not be more than the maximum charge for two months local exchange service or as may reasonably be required by the Company in cases involving service for short periods or special occasions. The Company may require the customer to increase the amount of the deposit at any time, if the charges billed against the customer are found to warrant such an increase.
- b. A deposit may be made at any Company business office or authorized agent.
- c. The Company will maintain records which show the name and address of each depositor, the amount and date of the deposit and each transaction concerning the deposit. Unclaimed deposits shall be disposed of in accordance with law.
- d. A receipt of deposit will be furnished to each customer from whom a deposit is received. Upon customer request, duplicate receipts will be provided to customers who have lost their receipt if the deposit is substantiated by the Company records.

3. Deposits and Collection Practices

a. The fact that a deposit has been made in no way relieves the applicant or customer from complying with the Company's regulations as to advance payments and the prompt payment of bills; nor constitutes a waiver or modification of the regular practices of the Company providing for the discontinuance of service for non-payment of sums due the Company for services rendered. The Company may discontinue service to any customer failing to pay current bills regardless of the fact that such customer has made a deposit with the Company to secure payment of such bills, or has furnished the Company with a guarantee in writing for such bills.

4. Interest to be Paid on Deposits

a. Interest compounded annually, shall be at the rate and terms provided in Iowa Utility Board rule 199 IAC 22.4(2)(b).

5. Discontinuance of Service for Failure to Establish Credit

 Service may be discontinued for failure to establish or maintain credit, as set forth in F.1. above, twelve days after the Company has mailed notice requiring the customer to do so.

F. ESTABLISHMENT AND MAINTENANCE OF CREDIT (Continued)

- 6. Service Charge for Reconnection
 - a. Where service has been discontinued for failure to establish or maintain credit, as set forth in F.1. above, the applicable service charges as defined in Part VI of this Services Catalog shall apply.
- 7. Deposit Refunds
 - a. The deposit shall be refunded or credited to the customer after not more than 12 consecutive months of prompt payment or 11 timely payments and one automatic forgiveness of late payment, unless the Company has documented information which indicates the deposit is necessary to insure payment.
- 8. Criteria for Procurement of Deposits
 - a. False credit information
 - b. Unsatisfactory credit history

G. APPLICATION OF BUSINESS AND RESIDENCE RATES

- 1. Business rates apply at the following locations:
 - a. In offices, stores, factories, mines, and all other places of a strictly business nature.
 - b. In boarding houses, except as noted under G.2. below, offices of hotels, halls and offices of apartment buildings; quarters occupied by clubs or lodges; colleges, hospitals, libraries and other similar institutions.
 - c. At residence locations when the customer has no regular business access line service and the use of the service either by himself, members of his household, or his guests, or parties calling him can be considered as more of a business than of a residence nature. This may be indicated by advertising either by business cards, newspapers, handbooks, billboards, circulars, motion picture screens, or other advertising media, such as on vehicles, etc. When such business use is not such as commonly arises and passes over to residence telephone during the intervals when, in compliance with the law or established custom, business places are ordinarily closed.
 - d. In any location where the listing of service at that location indicates a business, trade or profession, except as specified under G.2. below.
- 2. Residence rates apply at the following locations:
 - a. In a private residence where business listings are not provided.
 - b. In private apartments of hotels, rooming house, or boarding houses where service is confined to the customer's use.
 - c. In college fraternity or sorority houses where individual access line service is provided.
 - d. Churches, Fraternal Organizations, Public, Private or Parochial Schools

H. CONSTRUCTION AND INSTALLATION CHARGES

1. General

- a. Lines will be extended in accordance with provisions specified in the Line Extension Section.
- b. Special charges in the form of installation charges, monthly rates or both, are applied in addition to the usual service charge and monthly rates when, because of the sporadic or occasional nature of the service or an unusual investment or expense as for example:
 - 1) The facilities are provided in remote or undeveloped sections.
 - 2) Conditions that require unusual methods of plant construction, installation or maintenance.
 - 3) The customer's location requires the use of costly private right-of-way.
 - 4) The establishment of services which may be of a speculative or temporary nature.
- c. Title to all construction, as specified in H.2. below, provided wholly or partly as a customer's expense is vested in the Company.
- d. "Cost" is labor and materials included loaded overheads and may include a contribution to cover the cost of doing business not explicitly associated with direct cost.

2. Special Type of Construction

a. If a special type of construction is desired by a customer, (e.g., when underground service is desired in places where aerial construction would normally be used) or if unusual requirements of a customer make the cost of an installation higher than it would be if the usual type of construction were used, the customer is required to pay the difference in cost between the special type of construction and the average cost of the usual type of construction.

I. MINIMUM CONTRACT PERIODS

Minimum Contract Period

- a. Except as specified elsewhere in this Services Catalog, the minimum contract period is one month from the date service or additions to service are established and the minimum charge is the authorized rate for one month. For purposes of rate administration each month is considered to have 30 days.
- b. The Company may require a contract period longer than one month at the same location for unusual construction necessary to meet special demands, and involving extra costs (see Special Type Construction).

J. DISCONNECTION OR REFUSAL OF SERVICE

- 1. By the Company Without Notice
 - a. The Telephone Company may disconnect or refuse service without notice:
 - 1) in the event of a condition on the customer's premises determined by the Telephone Company to be hazardous.
 - 2) in the event of customer's use in such a manner as to adversely affect the Telephone Company's facilities or the Telephone Company's service to others, such as:
 - a) connection of Customer Premise Equipment which causes or is likely to cause interference or hazard to the network.
 - b) Impersonation of another with fraudulent intent.
 - 3) in the event of tampering with facilities furnished and owned by the Telephone Company.
 - 4) in the event of unauthorized use.

2. By the Company After Prior Written Notice

- a. In addition to the reasons set forth in subparagraph 1a. above, the Telephone Company may disconnect or refuse service after providing at least five days or in the case of deposits twelve days, prior written notice for any of the following reasons:
 - 1) failure of a customer to make suitable deposit as required by these rules.
 - use of service in an unlawful or abusive manner, including to illegally threaten or harass other persons or in violation of any federal, state, or local law applicable to use of service.
 - 3) the customer's bill for local services remains unpaid after the last date for timely payment.
 - 4) for failure of the customer or prospective customer to furnish permits or certificates of right-of-way specified to be furnished in the Telephone Company's rules filed with the Iowa Utilities Board as conditions for obtaining service, or the termination of those permissions or rights, or for the failure of the customer or prospective customer to fulfill the contractual obligations imposed upon them as conditions of obtaining service by a contract subject to the regulatory authority of the Iowa Utilities Board.
 - 5) for failure of the customer to permit the Telephone Company reasonable access to its facilities.
 - any other violation of the Telephone Company's Terms and Conditions on file with the Iowa Utilities Board, the requirements of municipal ordinances or law pertaining for the service.

- J. DISCONNECTION OR REFUSAL OF SERVICE (Continued)
 - 2. By the Company After Prior Written Notice (Continued)
 - b. Despite the prior written notice provisions as contained in these rules, disconnection may take place prior to the expiration of the notice period if the Telephone Company determines, from verifiable data, that usage during the notice period is so abnormally high that a risk of irrevocable revenue loss is created.
 - c. Only one written notice will be provided to the customer if multiple violations occur.
 - d. The notice of pending disconnection required by these rules shall be a written notice setting forth all reasons for the notice, and the final date by which the account is to be settled or specific action taken. The notice shall be considered rendered to the customer when deposited in the U.S. mail with postage prepaid. If delivery is by other than U.S. mail, the notice shall be considered rendered when delivered to the last known address of the person responsible for payment for the service. The final date shall be not less than five days after the notice is rendered, or in the case of deposits twelve days. The notice will include a toll-free or collect number where a customer can obtain additional information.
 - e. Where written notice is required, the Company will not disconnect service on a weekend, holiday, or after 2:00 P.M. unless the Company is prepared to reconnect the service the same day.

3. Disputes

In the event of a dispute concerning a bill, the Telephone Company may require the customer to pay a sum of money equal to the amount of the undisputed portion of the bill. Following payment of the undisputed amount, efforts to resolve the complaint, using complaint procedures in the Telephone Company's Services Catalog, shall continue and for not less than forty-five days after the rendering of the disputed bill, the service shall not be disconnected for non-payment for the disputed amount. The forty-five days may be extended by up to sixty days if requested of the Telephone Company by the Iowa Utilities Board in the event the customer files a written complaint with the Iowa Utilities Board, Customer Service, 1375 E. Court Avenue, Room 69, Des Moines, Iowa 50319-0069,toll free at 1-877-565-4450, or customer@iub.iowa.gov.

J. DISCONNECTION OR REFUSAL OF SERVICE (Continued)

4. Emergency Medical Conditions

Disconnection of a residential customer shall be postponed 30 days if an existing medical emergency of the customer, a member of the customer's family, or any permanent resident of the premises where service is rendered would present an especial danger to the health of any permanent resident of the premises. Indicators of an especial danger to health include, but are not limited to: age; infirmity; mental incapacitation; serious illness; physical disability, including blindness and limited mobility; and any other factual circumstance which may indicate a severe or hazardous health situation. The telephone utility may require written verification of the especial danger to health by a physician or a public health official, including the name of the person endangered, and a statement that the person is a resident of the premises in question. Initial verification may be by telephone, but the telephone utility may require a written verification within 5 days of the verification of the especial health danger by the physician or a public health official, including the name of the person endangered and a statement that the person is a resident of the premises in question. If the service has been disconnected within 14 days prior to verification of illness for a qualifying resident, service shall be restored to that residence if a proper verification is thereafter made in accordance with the foregoing provisions. If the customer does not make payment during the 30-day period, the service is then subject to disconnection.

5. At Customer's Request

- a. Contracts for service may be terminated prior to the expiration of the contract period provided advance notice is given to the Company and upon agreement to pay all charges due for the service furnished, plus any termination charges which might be applicable.
- b. Where a contract for service with a one-month minimum period is canceled before establishment of the service is completed, a charge not to exceed the service charge specified, is applied if all or a portion of the facilities have been installed.
- c. No minimum or termination charge will apply (unless otherwise stated specifically in this Services Catalog) where a new customer takes over the service of the former customer, provided the service is to be furnished at the same location without interruption and that the new customer assumes all unpaid charges on the original contract. Minimum and termination charges will apply for any service furnished under the original contract which is not retained by the new customer.
- d. No minimum or termination charge will apply in the event the service is terminated because of condemnation, destruction, or damage to property by fire or other cause, beyond the control of the customer.

K. PAYMENT FOR SERVICE AND FACILITIES

1. General

- a. Generally all customers shall pay for services and facilities monthly in advance. Municipal, State or Governmental Agencies may be exceptions to this rule.
- b. Billing to customers shall be scheduled monthly, except on mutual agreement of the customer and Company.
- c. All bills for local services are due not less than 20 days after the bill is rendered.
- d. When a customer is connected or disconnected, or for other cause the service received deviates by more than twenty-four consecutive hours from the normal billing period, the bill shall be prorated. If the prorating indicates a refund is due, the refund shall be accomplished by bill credit.
- e. Failure to receive a bill does not relieve the customer of the responsibility for payment.

2. Disconnection of Service by the Company

a. In the event of failure by the customer or those responsible to pay any bill on or before the due date, the Company may discontinue local, services upon written notice, allowing the customer five days to make payment or settlement.

3. Service Charge for Reconnection

- a. Where service has been discontinued for non-payment of a due bill applicable service charges as defined in Part VI of this Services Catalog shall apply.
- b. Where service has been discontinued for the non-payment of a due bill, the customer may be required to reestablish credit as defined in Establishment and Maintenance of Credit.
- c. The maximum payment for restoration of service that existed prior to disconnection shall be the total past due amount, applicable nonrecurring charges and if appropriate, an Advance Payment and Deposit as specified elsewhere in this Services Catalog.

4. Late Payment Charge

- a. All bills for which full payment has not been received paid before the last date for timely payment shall be subject to a late payment charge.
- b. Each account shall be granted not less than one complete forgiveness of late payment charges each calendar year for regulated services. The customer will be notified that this forgiveness has been used by first class mail, telephone or electronic means.

L. TAXES OR FEES TO BE BILLED TO CUSTOMERS

1. General

a. When a municipality or political subdivision imposes upon the Company any license, occupation, franchise, permit, inspection or other similar tax, such tax, fee or charge may be billed to the telephone customers receiving service within the municipal or political subdivision, allocated uniformly on the basis of each such customer's monthly charges for the types of service made subject to such tax, fee or charge.

M. NETWORK CONNECTIONS

1. General

- a. Customers are connected to the telephone network at a point of demarcation as specified in the Board rules.
- b. Connections of new inside station wiring to the network shall only be made at the Demarcation Point.
- c. Such connections shall be made by using a Standard Network Interface and shall be in accordance with Part 68 of the FCC Rules.
- d. Direct electrical connections at the protector or by-passing the Standard Network Interface shall constitute a violation of this Company's filed Services Catalogs and the service may be disconnected in accordance with its filed Terms and Conditions.
- e. Customers shall not be allowed to construct inside station wiring from a demarcation point or between two or more buildings on the same premises to obtain service from an exchange other than that by which they would normally be served. Existing inside wiring obtaining local exchange service within another exchange boundary shall be disconnected by the customer within ten days after receipt of written notification from the Company.

N. CUSTOMER COMPLAINTS

1. General

- a. A customer or prospective customer may initiate a complaint with the Company on any relevant matter by telephone, in person or in writing directed to the Company at any of its offices. The Company's response to the complaint will generally be in the same form used by the customer. However, the Company may respond to written complaints by telephone or personal visits when it believes such communications will be effective in resolution of the issues.
- b. The customer may at any point during resolution of the complaint seek review by a Supervisor or Manager.
- c. Upon investigation and final resolution by the Company, if the customer wishes further review, the customer should direct all appropriate information to the Iowa Utilities Board, Customer Service, 1375 E. Court Avenue, Room 69, Des Moines, Iowa 50319-0069, toll free at 877-565-4450, or customer@iub.iowa.gov.

LOCAL EXCHANGE SERVICE

RESALE AND SHARED SERVICES

A. GENERAL

- 1. The Company will provide central office access lines to any landlord, owner, tenant association, or other affiliated group for the purpose of reselling or sharing local exchange services to occupants of a building or complex of buildings with a community of interest.
- 2. All persons (end-users) or occupants in a building or complex of buildings shall be permitted to subscribe to local exchange service from the Company.
- 3. The telephone rates charged to resale or shared use providers of service shall be on the same basis as business service.
- 4. The rates contained herein are in addition to all other applicable rates and charges located in other parts of this Company's Services Catalog.

- 1. Community of interest as used in Paragraph A.1. above normally indicates joint or common ownership but other factors may be considered.
- The local resale or shared use supplier is required to subscribe to a sufficient number of access lines to assure the local network is not impaired and shall provide adequate facilities to its customers.
- 3. The Company is responsible for transmission quality up to the point of demarcation with the resale/shared use supplier. Transmission quality on the customer side of demarcation shall be the responsibility of the resale/shared use supplier.
- 4. The local resale/shared use supplier shall be responsible for providing local exchange telephone directories to its customers or users. The Company shall provide the resale/shared use supplier a directory in accordance with Part II of this Services Catalog.

DIRECTORY LISTINGS

A. GENERAL

The following rates are applicable to the alphabetic section of the white pages of the telephone directory for business or residence customers. The rates and charges contained herein are in addition to all other applicable rates and charges located in other parts of this Services Catalog.

B. RATES

		Monthly <u>Rate</u>
1.	Additional or alternate listings, per listing	\$0.75
2.	Unlisted service, per listing	*
3.	Private service, per listing	\$0.50
4.	Foreign or nonsubscriber service, per listing	\$5.00

- A primary listing, which may include the name, address and telephone number of the individual, organization, firm or corporation for whom the service has been contracted, will be furnished at no charge.
 - a. Listings will be limited to such information as is necessary for proper identification.
 - b. The length of a listing may be limited by the use of abbreviations where the clarity of the listing and the identification of the customer will not be impaired.
 - c. The Company may refuse to insert any listing which, in its judgment does not facilitate the use of the directory.
- Additional listings may be furnished with business or residence service for persons who
 occupy the same premises at the rates shown above. An additional listing may include
 the same address and telephone number as the primary listing.
- 3. An alternate call listing refers a calling party to certain other telephone numbers such as after business hours, on Sundays, holidays, or if there is no answer on the first listed number. Where the alternate call number is that of another customer, the listing will be furnished only with written approval of the other customer.

C. CONDITIONS (Continued)

- 4. A foreign or nonsubscriber listing is furnished to customers requesting that their listing be included in a directory of an exchange other than that from which service is rendered. The rate for a foreign company listing will be the rate of the company in whose directory the listing appears. The Conditions of paragraph C.1. above shall apply.
- 5. Unlisted Service indicates the customer listing is omitted from the directory but otherwise posted on the directory assistance records and the telephone number will be given out upon request.
- 6. Private service is the omission of a customer's listing from both the telephone directory and directory assistance records.
 - a. When private service is to be furnished, the customer will hold the Company harmless from any damages which might arise, and will absolve the Company from any responsibility for the failure of the customer to receive calls because of the private listing.
 - b. No charge will apply for private service for customers having other listed service.
- 7. The charge for additional, alternate or private listings is effective the day the directory assistance record is posted.

- 1. Route and type of facilities
 - a. The Company shall determine the route and type of construction which will be used in the extension of its facilities within an exchange. All such line extensions shall be owned and maintained by the Company.
 - b. The Company will be responsible for the route of the proposed line extension facilities upon which costs will be developed. Such routes will include the last pole or cable distribution box on public or private property but will exclude the drop wire (maximum of 150') for the building in which the telephone service is to be located.
 - Any difference in costs between the type of construction proposed by the Company for use on a line extension and the type of construction requested by the customer will be charged at actual cost for the difference. (See Part II, Special Type of Construction.)
 - d. When two (2) or more applicants mutually agree they may be considered as a "group." Line extension charges will be established in order to determine the amount of construction which needs to be provided. Line extension charges computed for the total extension, less allowable costs, may be proportionately divided among the applicant making up the "group."
- 2. Obligation of the Company
 - a. The Company's obligation to provide service through line extensions is solely dependent upon its ability to secure, retain, and maintain suitable rights-of-way without unreasonable expense.
 - b. The Company will survey all prospective customers who could receive service from each proposed line extension project prior to its construction.
- 3. Payment of charges applicable to line extensions shall be paid in advance.
- 4. Applicants requesting service which can be provided from a previously established line extension project:
 - a. Within 12 months from the time service was initially provided by means of such line extensions, initial charges will be recomputed by the Company and the applicant will pay a proportionate share of such charges as if they were one of the initial applicants and appropriate refunds will be made to the original customer(s).
 - b. After 12 months from the time service was initially provided, such applicant(s) will be responsible for the charges and conditions applicable to the establishment of line extension facilities required to serve them alone.
- 5. Except as provided elsewhere in this Services Catalog, refunds of line extension charges will not be paid by the Company.

C. CONDITIONS (Continued)

- Supersedure of service provided from a line extension and any adjustment in an amount paid by a customer discontinuing such service will be a matter of negotiation between the disconnecting customer, who has obligated himself for the line extension charge and the superseding applicant.
- 7. The Company will have the option to specify the type of construction to be used when line extensions are requested for service into real estate subdivisions or mobile home parks. Any difference in costs of types of plant facilities used by the Company or requested by the subdivider will be negotiated between the parties.
- 8. When the line extension proposed contains growth potential to provide for anticipated future service demands, the proposed customer(s) will only be obligated for that portion of such line extension costs as would be necessary to serve the new customer alone. It will be to that segregated amount that the Formula for average Outside Plant costs will be applied.
- 9. Line extensions of a temporary or speculative nature
 - a. Line extension of the Company's facilities may be made to provide service of a temporary or speculative nature. An applicant whose service is considered speculative or temporary in nature will be charged the total actual costs of construction and estimated costs of removal, less salvage value, for the material used to establish the service.
 - If after a 12-month period the temporary or speculative project is considered by the Company to be a permanent service, a refund may be made to the customer for the difference between costs paid and the charges which would have been computed for a regular line extension.

MILEAGE RATES

A. GENERAL

Mileage rates apply for extending standard voice grade intra-exchange service between premises. The rates and charges contained herein are in addition to all other applicable rates and charges located in other parts of this Services Catalog.

B. RATES

- 1. Mileage measurement is the route distance between the terminals.
- 2. Outside the Base Rate Area, rural mileage will be based upon the distance between the location of the service and the nearest point on Base Rate Area boundary.
- 3. When facilities must be constructed to provide service to an applicant beyond the Base Rate Area, charges shall be determined as set forth under Line Extensions.
- 4. Subscribers moving within an exchange will be allowed to subscribe to this service for three days at no monthly charge.
- 5. Notwithstanding condition number 4, the minimum period for which this service is offered will be one month.
- 6. This service will be provided only in areas where facilities support the service.
- 7. Subscribers having installed service between buildings on the same premises prior to December 1, 2000, where installation was routed through the telephone company facilities are grandfathered under this rate. All new installations or replacement of defective or damaged facilities between buildings on the same premises will be considered customer premise wiring and must be routed directly from the subscriber demarcation unit to the additional building or service location.
- 8. Existing Mileage Rate Services are grandfathered providing facilities will continue to support the service. Mileage Rate Services will not be installed after March 1, 2013.

C. DEFINITIONS

1. Individual Services

- a. Anonymous Call Rejection: Allows a customer of Caller Identification Name and/or Caller Identification - Number to reject calls for which calling name/number display information has been intentionally blocked. Only calls for which the information has been blocked are rejected.
- Automatic Callback: Automatically redials the last number a customer dials if the called party's number is busy. A special tone will alert the customer when the called number becomes idle.
- c. Automatic Recall: Enables a customer to receive a voice message identifying date, time and number of the last incoming call. Also enables a customer to perform an activation procedure and automatically redial the last incoming number without having to know the number of the calling party.

- Rates are available to customers at the Company's office, website or by mail.

C. DEFINITIONS (Continued)

- d. Call Forwarding-Basic: Permits a customer to transfer all incoming calls to another dialable telephone number. The customer pre-selects a second telephone number to which all incoming calls are automatically transferred. Calls may be transferred to a long distance message telecommunications point subject to the availability of the necessary facilities in the central office from which the calls are to be transferred.
- e. Call Forwarding-Busy Line (Programmable): Allows a customer to have incoming calls forwarded to another number when the called number is busy. The customer can activate and deactivate the forwarding feature by dialing a code as well as establish or change the number which calls will be forwarded.
- f. Call Forwarding-Don't Answer (Programmable): Allows a customer to have an incoming call forwarded to another number if the customer does not answer after a preset number of rings. The customer can activate and deactivate the forwarding feature by dialing a code as well as establish or change the number to which calls will be forwarded.
- g. Calling Identity Delivery on Call Waiting: Provides a subscriber with Caller Number or Caller Name and Number information (as defined in paragraphs h and I herein) on a call waiting call to subscribers of a Caller ID and Call Waiting service.
- h. Calling Name and Number: Allows for the automatic delivery of a calling party's name and number to the called customer, which gives the called customer an opportunity to decide whether to answer the call immediately or not. The name is displayed on customer provided equipment.

The name displayed shall be the name associated with the calling telephone number as shown on the Company's records. The Company, in its discretion, may abbreviate or limit that name for display purposes. The Company does not assure name accuracy, and it shall not be liable to any party for errors, omissions or mistakes. The Company's sole and only obligation shall be to reasonably correct errors in names when notified in writing of such errors.

 Calling Number ID: Allows for the automatic delivery of a calling party's telephone number (including nonpublished and nonlisted telephone numbers) to the called customer, which gives the called customer an opportunity to decide whether to answer the call immediately or not. The number is displayed on customer provided equipment.

C. DEFINITIONS (Continued)

- j. Call Waiting: By means of a tone signal a customer who is using his telephone is alerted when another caller is trying to reach that station. This permits putting the first call on hold so that a second call can be answered.
- k. Call Waiting Deactivation: This feature gives Call Waiting customers the ability to control when Call Waiting functions on their line.
- Customer Originated Trace: Allows a customer to activate an immediate trace of the last incoming call, without requiring prior approval and intervention by telephone company personnel. The identification of the traced number is located at the telephone company.
- m. Distinctive Ringing/Call Waiting: Allows a customer to assign a maximum of 8 callers' telephone numbers to a special list. The customer will hear a distinctive ring at their location, when calls are received from callers' telephone numbers on that list.
- n. Home Intercom: Allows customer to make a revertive callback to their own line.
- Hot Line Service: Allows a customer to establish a switched connection to a
 predetermined number when the customer's telephone goes off-hook. No dialing is
 required and the call is processed automatically to the predetermined telephone
 number.
- p. Per Call Blocking: Enables a customer to control the disclosure of their telephone number or name and telephone number to a subscriber of Caller Identification (where technically feasible) by temporarily changing the public/private status indicator of the telephone number. A customer must dial a code before each call to change the indicator from public to private. "Public status" allows delivery of the telephone number or name and telephone number. "Private status" prevents delivery of the telephone number or name and telephone number. Per Call Blocking is provided at no charge.

q. Per Line Blocking: Provides a permanent private indicator on a customer's line. Once blocking is established on the customer's line, the private status cannot be deactivated by the customer. Rates and charges are provided herein. Federal, State and Local Law Enforcement Agencies, nonprofit domestic violence/sexual assault agencies and their staffs, and victims of domestic/sexual assault or individuals who express a personal safety need and sign a personal safety exemption form may be provided additional arrangements for private status and/or line blocking, on a line-by-line basis, at no charge.

The certification form identifies the customer who is to receive Per Line Blocking at no charge and acknowledges that if a line is equipped with Per Line Blocking, that the telephone number and name will not be delivered to subscribers of Caller ID, including poison control centers, hospitals, medical centers and others who might use Caller ID to provide assistance. 911 is not affected. And, some subscribers of Caller ID Service may choose not to answer blocked calls.

The customer acknowledges the understanding of the above. Further, the customer releases the Company from all claims and liability, including personal injury caused by its errors, omissions and operation or malfunction of Per Line Blocking service.

- r. Selective Call Acceptance: Allows a customer to specify a special list of a maximum of 8 telephone numbers. By dialing a code your phone will accept only callers on your selective call list.
- s. Selective Call Forwarding: Allows a customer to specify a special list of a maximum of 8 telephone numbers. Incoming calls placed to the customer from telephone numbers on that list will automatically be forwarded to a predefined telephone number. All other calls will be handled normally.
- t. Selective Call Rejection: Enables a customer to reject call attempts from up to 8 numbers of calling parties by dialing a code and the telephone numbers of calls to be rejected. Any call attempts to the customer from these numbers will be prevented from terminating to the customer and will instead be connected to an announcement informing the caller that the call is not presently being accepted by the called party. A customer may also reject future calls from the most recent call received by dialing a code after completing the call.

- u. Speed Calling 8: Enables a customer to place calls to other telephone numbers by dialing a one- or two-digit code rather than a complete telephone number. Customer may subscribe to only one of either the 8 Code capacity or 30 Code capacity on the same line.
- v. Speed Calling 30: Enables a customer to place calls to other telephone numbers by dialing a one- or two-digit code rather than a complete telephone number. Customer may subscribe to only one of either the 8 Code capacity or 30 Code capacity on the same line.
- w. Teen Line: A central office based service which provides a distinctive ringing code on incoming calls, using one individual access line. The distinctive ringing code is achieved by assigning an additional telephone number to the access line.
- x. Telemarketer Call Screening: Screens all incoming calls and plays a message for those calls that do not provide valid Caller ID information. The option does permit the caller to press a 1 which will allow the call to proceed and ring the called line.
- y. Three Way Calling: Enables a customer to add a third party to an existing call without operator assistance, thereby establishing a three-way conversation. The transmission may vary depending on the distance and routing necessary; therefore, transmission may not meet normal standards.
- z. Warm Line Service: Allows a customer to establish a switched connection to a predetermined number if the customer does not dial a number within a specified length of time after going off-hook. When the customer's telephone goes off-hook and dialing begins within a specified time delay period, the call will proceed normally as dialed. If dialing has not started before the end of the predefined time delay period, a predetermined stored number is automatically dialed by the central office equipment.

N11 – SERVICE OFFERINGS (Continued)

- B. TERMS AND CONDITIONS (Continued)
 - 13. N11 will be provided under the following conditions:
 - a. The subscriber will subscribe to adequate telephone facilities, both initially and subsequently as required in the judgment of the Company, to handle calls to N11 without impairing the Company's general telephone service or telephone plant.
 - b. The N11 subscriber is responsible for obtaining all necessary permissions, licenses, written consents, waivers and releases, and all other rights from all persons whose work, statements or performances are used in connection with the service, and from all holders of copy rights, trademarks, and patents used in connection with the service.
 - c. The N11 subscriber shall be liable for, and shall indemnify, protect, defend and save harmless the Company against all suits, actions, claims, demands and judgments, and of all costs, expenses and counsel fees incurred on account thereof, arising out of and resulting directly or indirectly from the service or in connection therewith, including but not limited to, any loss, damage, expense or liability resulting from any infringement or claim of infringement, or any patent, trademark, copy right, or resulting from any claim of liable and slander.
 - d. Suspension of N11 Services is not allowed.
 - e. The N11 subscriber will respond promptly to any and all complaints lodged with any regulatory authority against any service provided via N11. At the Company's request, the N11 subscriber will assist in responding to complaints made to the Company concerning the subscriber's N11 service.
 - f. The Company will provide both oral and written notification when a N11 subscriber's service unreasonably interferes with or impairs other services rendered to the public by the company or by other subscribers of N11. The Company reserves the right once notification is made to institute protective measure up to and including termination at any time and without further notice. The Company may take protective measure when the N11 subscriber makes no modification or is unwilling to accept modification in method of operation, or continues to cause service impairments.

N11 – SERVICE OFFERINGS (Continued)

- B. TERMS AND CONDITIONS (Continued)
 - 14. The following conditions apply if the N11 subscriber provides a pre-recorded announcement:
 - a. The N11 subscriber will provide announcements. The Company will provide only delivery of the call.
 - b. The Company's provision of access to the N11 network for transmission of announcements or recorded program services is subject to the availability of such facilities and the requirements of the local exchange network.
 - c. The N11 subscriber assumes all financial responsibility for all costs involved in providing announcement or recorded program services including but not limited to, the recorder-announcement equipment producing the recording, advertising and promotional expenses.
 - d. The N11 subscriber assumes all financial responsibility, according to other specific rates and charges under catalog, for all facilities required to connect the recorder-announcement equipment located on the subscriber's premises.
 - 15. The Company may take all legal and practical steps to disassociate it from N11 subscribers whose business and/or public conduct (whether demonstrated or proposed) generate unacceptable levels of complaints by end users.
 - 16. The Company is not liable for any losses or damages of any kind resulting from the unavailability of its equipment, facilities or for any act, omission, or failure of performance by the Company, its employees or agents, in connection with this Services Catalog. The Company will not be responsible for calls that cannot be completed as a result of repair or maintenance difficulties on Company facilities and equipment or on equipment owned or leased by the subscriber.
 - 17. Calls placed to the N11 code will be routed to the point-to number based upon the central office switch and/or the Number Plan Area (NPA) of the calling party. Routing based upon NPA and NXX, ten-digit telephone number or ZIP Codes can be provided where technically feasible.
