

Accessibility Notice

The Federal Communications Commission (FCC) has rules requiring telecommunications service providers like Cascade Communications to make its services and products accessible to people with disabilities, if such access is readily achievable.

These rules implement Section 255 of the federal Communications Act. Section 255 requires telecommunications service providers to make their services and devices compatible with peripheral devices and specialized customer premises equipment that are commonly used by people with disabilities, if such compatibility is readily achievable.

Please contact us at (563) 852-3710 for further information or to discuss your accessibility needs and the options we may have to assist you in using our services.
